Respin, Buy Bonus, and Chance x2 features are back again to please players with great wins and lots of fun on 40-paylines reels. Bright graphics, pleasant music, great wins and lots of fun awaits inside the Joker Queen slot.

How to play

The game features win lines. Choose the bet size using the buttons in the **Total bet field**. Higher bets will increase a total win. The bet value chosen is displayed in the corresponding field. To start the reels spinning, click the **Spin button**.

Auto play

Click the **Auto spins settings (A)** button to choose the number of rounds to auto play. Autoplay starts when you click the number of rounds and Autoplay button shows the amount of remaining spins.

You can choose additional settings for the **Stop of auto spins**:

- on any win - autospin will stop after you win
- if bonus game is won - autospin will stop when the bonus game is won
- if single win exceeds - autospin will stop when a single win is above the written sum in the field
- if cash balance increases by - autospin will stop when the current balance is above the sum written in this field
- if cash balance decreases by - autospin will stop when the current balance is below the sum written in this field

To stop the spins click **Stop Autospins button**

Features

Wild symbols substitute for all symbols except for bonus symbols. During the Respin game, the bonus symbol becomes an additional Wild symbol.

Stacked wild. Wild symbols drop on the reels in consecutive groups.

Bonus symbol. Joker Queen - is a bonus symbol, which appears only on the reels - 2, 3, and 4. When three bonus symbols show up on the reels - the Respin round is activated (3 Respins).

Respins. When dropped, three bonus symbols expand down the reels and become sticky. A player gets 3 Respins. During the Respin round, when additional bonus symbols appear on the reels, the player receives one extra respin, regardless of the number of dropped bonus symbols.

Buy Bonus. A player can buy the Respin round during the game. There are two options: For x84 bets, the player buys 3 regular respins. For x283 bets, the player buys 3 respins with high symbols only. When a purchase is confirmed, 3 bonus symbols appear automatically on the reel. The respin round begins. The Buy Bonus feature is disabled if the Chance x2 feature is active.

Chance x2 feature. When the Chance x2 feature is activated, it increases the bet and gives the player more chances to drop bonus symbols and trigger the Respin round. The Chance x2 feature is disabled if the Buy Bonus feature is active.

Spin Results

If a winning combination is formed along any active payline, it will become animated and the win amount is displayed in the **Total Win** field.

- All symbols pay left to right on consecutive reels of an active payline.
- Payouts are made according to the paytable.
- Note that only the highest win is paid on each of the active paylines.

To learn the game payouts, click the **Information (I)** button.

Settings

The setting button opens a panel with game speed and volume settings.

RNG

The game is based on a certified random number generator. For more information, visit <https://www.bgaming.com/>.

Malfunction voids all plays and pays! All unfinished rounds will be terminated every other day. If the game requires "Collect" - "Collect" will take place and the win from the round will be added to the player balance. If the game requires action from a player, the result is counted assuming that the player has chosen the action with no risk without raising the initial bet.
