## How to play

The game features win lines. Choose the bet size using the buttons in **Total bet** field. Higher bets will increase a total win. The bet value chosen is displayed in the corresponding field. To start the reels spinning, click the **Spin button**.

## Auto play

Click the **Auto spins settings (A)** button to choose the number of rounds to auto play. Autoplay starts when you click the number of rounds and Autoplay button shows the amount of remaining spins.

You can choose additional settings for the **Stop of auto spins**:

- on any win - autospin will stop after you win
- if bonus game is won - autospin will stop when the bonus game is won
- if single win exceeds - autospin will stop when a single win is above the written sum in the field
- if cash balance increases by - autospin will stop when the current balance is above the sum written in this field
- If cash balance decreases by - autospin will stop when the current balance is below the sum written in this field

To stop the spins click **Stop Autospins button**.

## Features

**Bonus symbols.** The Images of girls are Bonus symbols. Three bonus symbols on the 2-3-4 reels start 5 Free Spins. During Free Spins Bonus symbols transform into Wild-girls. Wild-girls dropped on the reels during Free spins add one Free Spin. The minimum number of Free Spins - 5, the maximum number of Free Spins - 14.

**Wild** symbol substitutes all symbols in a winline except for Bonus symbols. There are three types of Wild symbols in the game:

- **Wild-eagle** appears during the main game and Free Spins.
- **Wild-girls** appear during Free Spins (Bonus symbols transform into Wild-girls).
- **Wild-wheel** appears during the Mystery Wild feature.

**Sticky Wild.** During Free Spins all Wild-girls become sticky and stay on the reels for the whole Free Spin round giving more chances to win. During Mystery wild feature all Wild-wheels become sticky and stay in their positions until the end of the feature.

**Mystery Wild** feature randomly appears during the main game, giving Wilds-wheels symbols and respins. Mystery wilds trigger 1 respin only if 5 Wild-wheels dropped on the reels. If one more Wild-wheel drops on the reels during respin, 1 additional respin is added. Wild-wheels become Sticky and stay in their positions until the end of respins. Respins are stopped if there is no more Wild-wheel dropped or all the reels are covered with Wilds, which became Sticky.

**Stacked Wilds** can cover a part of the reel or an entire reel when these symbols drop. Stacked wilds are available in the main game and during a bonus round. Reels contain from 2 to 6 Stacked wilds.

## Spin Results

If a winning combination is formed along any active payline, it will become animated and the win amount is displayed in the **Total Win** field.

- All symbols pay left to right on consecutive reels of an active payline in the main game.
- Coinciding wins on several active paylines are added.
- Payouts are made according to the payable.
- Payline wins are multiplied by the bet per line value, except for Bonus symbols.
- Note that only the highest win is paid on each of the active paylines.
- The spin can result in triggering free spins. Free spins are played at the same bet and lines as the round activating these spins.

To learn the game payouts, click the **Information (I)** button.

# Additional information

Malfunction voids all plays and pays! All unfinished rounds will be terminated every other day. If the game requires “Collect” - “Collect” will take place and the win from the round will be added to the player balance. If the game requires action from a player, the result is counted assuming that the player has chosen the action with no risk without raising the initial bet. This is the game rule version 1.0, dated October 27, 2020.
