

Game Rules

Keepers of the Secret is a 5-reel video slot that features Wild symbols with multipliers in both the base and Bonus games.

The game is played with 20 paylines at various bet values.

Wins are paid when matching symbols appear on paylines in succession from the leftmost reel to the rightmost reel.

Winning combinations pay according to the game's paytable. Values displayed in the paytable are dynamic and show the payouts for the bet currently selected.

Only the highest winning combination per payline will be paid.

Simultaneous wins on different paylines are added together to calculate the total win amount.

Wild

Wild symbol substitutes for all paying symbols to create winning combinations.

Wild symbols appear on all reels.

Wild symbols substitute for the highest paying combination on a payline according to the paytable.

Jaguar symbol

Jaguar symbol appears on all reels.

When the Jaguar symbol lands, it shoots three times on random positions on all the reels. In places where there is a shot - the symbol changes to wild, and every next shot to wild increases its multiplier.

On the next spin, the Jaguar moves down on the reel, or disappears if it is already in the bottom position.

Bonus Game

The Bonus game starts when three Scatter symbols appear on reels 2, 3, and 4.

The round has 12 Free spins.

In the Bonus game, Wild symbols remain sticky until the end of the round.

Jaguar symbols are not moved down during the Bonus game.

If there is a win on the result that activates the Bonus game, the amount won is added to the total wins accumulated during the Bonus game.
