

Casino Hold'em

Player clicks on chips of selected denomination and then on Ante field to place a bet. After clicking Deal to start the game, player is dealt two hole cards that are used in conjunction with five-card flop to build the best poker hand. Player can opt to Fold by clicking the respective button or continue to play by hitting Raise.

Player may make an optional AA bonus side bet. AA Bonus bet is based on the poker value of the player's two cards and the first three flop cards. The game automatically calculates what player's best possible hand is. AA bonus is paid if hand contains at least pair of Aces or higher according to payable.

Hand ranking

The player's best 5-card poker hand is automatically formed from 2 hole and 3 flop cards. It gets displayed after the flop and revisited after two final cards are dealt.

Dealer must have at least a pair of fours in order to qualify. If house fails to qualify, 'Raise' bet is returned to player and the Ante bet pays according to the pay-table.

If the dealer's hand qualifies and player's hand beats it then Ante bet is paid according to the pay-table and 'Raise' bet is paid even money.

If the dealer's hand qualifies and beats the player's hand, Ante and Raise bets will be lost.

The Ace can be used as both the highest and lowest card, so can be used as both the highest value card in a straight of A, K, Q, J, 10 and the lowest value card in a straight of 5, 4, 3, 2, A.
